- Delivering professional financial service support by resolving complex member inquiries, investigating account-related issues, and providing strategic guidance regarding financial products, services, and electronic banking solutions.
- Maintaining strict adherence to internal controls, operational security procedures, confidential document management standards, and branch opening/closing protocols to mitigate operational and compliance risk.
- Contributing to branch growth and relationship management initiatives through proactive promotion of financial products and services, member referrals, and outbound member engagement efforts.
- Collaborating effectively with branch leadership and cross-functional teams to support operational excellence, regulatory readiness, member satisfaction, and continuous process improvement initiatives.

United Community Action Partnership, Marshall, MN

Volunteer Income Tax Assistance (VITA)

- Contributed to federally supported Volunteer Income Tax Assistance (VITA) initiatives by assisting individuals with tax preparation support, financial documentation review, and taxpayer service activities.
- Maintained high standards of accuracy, confidentiality, and professionalism while handling sensitive financial and personal information.
- Applied accounting and taxation knowledge to support compliant tax preparation processes and effective client service delivery.
- Strengthened analytical, financial reporting, and client communication skills through direct interaction with diverse community members.
- Collaborated within a team-oriented environment focused on financial literacy, public service, and community support initiatives.
- Prepared and reviewed federal and state tax returns for low- to moderate- income individuals in compliance with IRS
- Analyzed financial documents including W-2s, 1099s, and tax credits to produce compliant returns
- Utilized IRS- approved tax preparation software by interviewing clients to ensure accurate electronic filing

Chartwells- SMSU Convenience Store, Marshall, MN

Student Worker

- Demonstrated attention to detail in both financial and operational tasks
- Delivered customer service while handling financial transactions responsibly
- Assisted with point-of-sale (POS) operations and transaction reconciliation
- Processed daily cash and electronic transactions with accuracy and accountability
